## DOMINION ORDERS IN COUNCIL.

P.C. No. 223.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 3RD FEBRUARY, 1930.

THE Committee of the Privy Council have had before them a report, dated 21st January, 1930, from the Minister of the Interior, submitting that application has been made to the Department of the Interior, on behalf of Ruskin Operations, Limited, for control of a certain portion of the bed of Stave River adjoining the easterly boundary of the southerly part of Lot 438, Group 1, in Township 14, east of the Coast meridian, in the Province of British Columbia, comprising an area of 7.29 acres, more or less. The applicant is the registered owner of the southerly part of Lot 438, Group 1, referred to, and it requires the area applied for in connection with its lumbering operations.

The Minister, being of the opinion that this application should be given favourable consideration, recommends that authority be granted for the issue of a licence of occupation in favour of Ruskin Operations, Limited, covering the aforementioned portion of the bed of Stave River, comprising 7.29 acres, more or less, for a term of ten years, renewable on expiration for a further like term, and at an annual rental of \$1 an acre, payable in advance yearly; such licence to be subject to the usual terms and conditions, including a clause providing for cancellation thereof on one year's notice.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed.) E. J. LEMAIRE,  
Clerk of the Privy Council.

To the Honourable  
The Minister of the Interior. 238-fe13

P.C. No. 917.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE ADMINISTRATOR ON THE 10TH JANUARY, 1930.

THE Committee of the Privy Council have had before them a report, dated 21st May, 1929, from the Minister of the Interior, stating that the Regulations governing the granting of licences and permits to cut timber on Dominion lands in the Prairie Provinces, in the Railway Belt in the Province of British Columbia, and in the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia, provide that all timber cut must be manufactured within the Dominion of Canada.

The Chehalis Logging Company, Limited, of Port Moody, British Columbia, who are large operators, state that they have a certain percentage of over-

grown fir logs, which are too large for the Canadian mills to handle, as they consist of logs with a top diameter of over 60 inches; and the Company have had to agree with the mills, in disposing of their ordinary fir output, to take back any logs of the above-mentioned size. It is claimed that on the American side there are one or two mills which, by reason of special appliances, are able to handle logs over 60 inches, and the Company have applied for permission to export such oversized logs.

This question was fully investigated some time ago, and the general consensus of opinion among the larger mills in the New Westminster District is favourable to the granting of the special privilege asked for, which opinion is confirmed by the Agent of Dominion Lands at New Westminster.

This permit, if issued, will be subject to royalty charges of \$3 per thousand feet, board measure, on logs grading No. 1, \$2.50 per thousand feet on logs grading No. 2, and \$2 per thousand feet on logs grading No. 3.

The Minister recommends that this special privilege be granted to the Chehalis Logging Company, Limited, and also any subsequent applications of a similar nature, for periods of six months, at the rates specified.

The Committee concur in the foregoing recommendation and submit the same for approval.

Assistant Clerk of the Privy Council.

P.C. No. 1905.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE ADMINISTRATOR ON THE 10TH JANUARY, 1930.

THE Committee of the Privy Council have had before them a report, dated 19th September, 1929, from the Minister of the Interior, submitting that the Regulations governing the granting of timber privileges on Dominion lands in the Prairie Provinces and in the Railway Belt in the Province of British Columbia provide that all timber cut must be manufactured within the Dominion of Canada:

That Campbell River Mills, Limited, of White Rock, British Columbia, which is operating extensively in cedar timber on Licence Berths Nos. 50c, 55, S3, 158, 159, 160, 161, and 162, situated in the New Westminster, British Columbia, Lands District, has made application for permission to export cedar logs and represents that its application became necessary as the cedar market is absolutely glutted; that stocks of logs in the water have increased during the past four months by over thirty-two million feet; that it is almost impossible to dispose of the cedar logs, while the price is now from \$3 to \$4 less per thousand feet, board measure, than it was six months ago:

The Minister, after considering carefully the report of an officer of the Department well versed in actual existing local conditions, believes that an export privilege would be in the public interest, and he, therefore, recommends that the Company be allowed to export cedar logs for a period of six months from the date hereof, subject to dues as set out hereunder, which are in excess of the rates charged under the Regulations governing the disposal of timber cut from licence berths, the operations to be subject to such conditions as the Minister may determine, and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

Rates of dues—

Logs grading No. 1, \$3 per M. feet, B.M.

Logs grading No. 2, \$2.50 per M. feet, B.M.

Logs grading No. 3, \$2 per M. feet, B.M.

The Committee concur in the foregoing recommendation and submit the same for approval.
